provide more labs then we can get more practical knowledge...

- Encourage the students in different skills
- Try to understand every student...
- Don't separate the student levels in classroom...

- Improve the teaching skills with digital classes with suitable examples
- please give experiments by using instruments in the laboratories
- And provide experience skilled persons by practical knowledge lectures
- Please provide good communication skills for the students by the experienced lectures

Improvement of Practical knowledge and provide digital classes is necessary to our institution
