At Institute Level:

A three-stage grievance redressal mechanism is available to redress the grievances of the students with reference to internal examinations.

- **First Stage - At the concerned teacher level:** By providing corrected answer scripts to the students by the teachers, the student can clarify to clear their doubts / grievances, if any.
- **Second Stage - At Convener Examination Cell:** In case the student is not satisfied at state one, he/she can approach the Convener, Examination Cell who intern forward the request to concerned HOD of the department who required to examine the case in detail and make suitable changes if warranted.
- **Third Stage - At the Principal level:** In case the student is aggrieved with the decision even at the Convener Examination Cell / HOD level also, he/ she can appeal writing to the Principal who in turn nominates a Professor / Associate professor other than the concerned teacher to look in to the grievance. The teacher so nominated, in turn, will examine the grievance critically to do justice to the student. The outcome is explained to the student with reasons and that decision is final.

At University level:

The student is entitled to apply for re-valuation / re-counting in theory subjects by paying the prescribed fee through the Principal to the University. The University takes up all such applications and reevaluates the scripts by competent subject teachers. However, if there is no improvement earlier marks will be retained.
