

## SEMINAR HALL

**The Seminar Hall at Unity College of Pharmacy is a modern, well-equipped facility designed to foster academic discussions, knowledge exchange, and professional development.**

The Seminar hall, characterized by its expansive design and substantial seating capacity, offers a comfortable and optimized setting for seminars, workshops, guest lectures, conferences, and student presentations. Equipped with state-of-the-art audio-visual technology, encompassing high-definition projectors, interactive whiteboards, a surround sound system, and wireless microphones, the Seminar Hall facilitates an engaging educational experience. Furthermore, it incorporates climate control to ensure comfort during extended sessions and acoustic treatments to mitigate external auditory interference.
