

## TRANSPORT FACILITY

### **Dependable and Secure Transportation Services Offered at Unity College of Pharmacy to Facilitate Convenient Commuting for Students and Staff**

Unity College of Pharmacy furnishes a meticulously structured and effective transportation service, guaranteeing secure, punctual, and pleasant conveyance for both students and staff. The college operates a TGRTC transport service, available every 10 minutes from all areas of the city, providing unparalleled convenience for daily commuters. This high-frequency service ensures minimal waiting periods and dependable transport from diverse city locales and adjacent regions. All buses undergo regular maintenance, incorporate safety measures, and are operated by seasoned drivers to uphold punctuality and order. The transport service manifests the college's resolute dedication to accessibility, safety, and a stress-free academic experience for all. Furthermore, Unity College of Pharmacy delivers a comprehensive transport service to assure convenient commuting for its students and staff. Subsidized transport options are afforded directly from the hostels to the college campus, facilitating effortless access for residents. In addition, the college arranges transportation for academic engagements, such as industrial excursions and study tours, ensuring seamless travel arrangements for participants. This prioritization of accessible transportation elevates the overall academic milieu by fostering timely attendance and engagement in various educational pursuits.
