

WORK SHOP

Unity College of Pharmacy annually organizes professional workshops for B.Pharmacy and M.Pharmacy students. This year's workshop, held on November 7th, 2024, for two days, focused on "Empowering Pharmacists – Clinical Research and Pharmacovigilance for Patient Safety" in association with Clinoxy Solutions. The event was inaugurated by College Chairman Shree A. Prabhakar Reddy Garu. Director Shree Goverdhan Reddy Garu and Principal Dr. Ampati Srinivas delivered addresses at the event. Approximately 240 students participated and received certificates of participation. All teaching staff members contributed to the event's execution.
